

About the Lakefield Trail

Completed late in the year 2000 as a community Millennium project, the Lakefield Trail offers the Lakefield community a place to enjoy all the diversity the Village of Lakefield has to offer. The Trail connects to the Trans Canada Trail via the Peterborough County Rotary Trail.

Our 'Friends of the Trail' program supports Trail activities. Volunteers also conduct fundraising activities such as raffles, guided nature hikes and historical walks. Anyone wishing to recognize someone special can arrange to have a bench or a tree placed along the Trail in their name.

We are proud of our Trail and invite you to share with us the pleasures of this beautiful, natural environment.

See You On the Trail!

Historical interpretive signs along the 5.5 km Trail take you back in time, as they tell the story of Lakefield's notable literary past and canoe building heritage.

Lakefield Trail Stewardship

The goal of The Lakefield Trail Stewardship Committee is to enhance, maintain and promote the Lakefield Trail.

The Committee:

- Organizes fundraising activities for Trail maintenance and enhancements,
- Promotes natural environment education and recreational activities,
- Promotes all local and area trails,
- Liaises with the Township of Smith-Ennismore-Lakefield Recreation Department.

The Lakefield Trail Stewardship Committee meets every first Thursday of the month at 7 pm, in the Centennial Room, Memorial Hall, Lakefield. Our meetings are open to the public. If you would like to attend, please call (705) 292-9507.

Volunteer Stewards maintain designated sections of the Trail. Community volunteers include: local schools, businesses, organizations, individuals and families.

If you have a couple of hours to spare once in a while and are interested in supporting the Lakefield Trail, please contact the Township of Smith-Ennismore-Lakefield at (705) 292-9507.

Discover the
Lakefield Trail

A quiet stroll, a more ambitious jog, or a leisurely cycle along the east loop of the Trail will take you past Lakefield's thriving business section of today.

If a quieter setting that is more natural is your fancy, explore the Trail on the west side of the Otonabee River as it follows the southern tip of Katchewanooka Lake ('Water of many rapids') into the Class 1 wetland area of Imagine the Marsh or to the south of Bridge Street past stately homes to Lock 26 of the Trent Severn Waterway.

You can cycle from the Lakefield Trail along the Rotary Trail past Trent University into downtown Peterborough. Or, access a more ambitious cycling route throughout the County along the Trans Canada Trail from the Lakefield Trail.
