Message from the Mayor

On behalf of the Council and staff of the Township of Selwyn, it is my pleasure to provide you with the 2020 Selwyn Services Guide.

There is something for everyone in this guide, from arts and recreation groups to social and wellness programs. We hope this guide can inspire you and your families to get involved in the community and stay active!

The guide also offers useful municipal information including contact information, tax payment options and garbage and recycling tips.

We're proud of the rich variety of programs, activities and facilities available in Selwyn. Let's all get out to explore and enjoy all that Selwyn has to offer!

Andy Mitchell, Mayor

Building and Planning

The Building and Planning Department provides a wide range of services that pertain to land use and the enforcement of the Ontario Building Code.

Who needs a building permit?
Permits are required for any significant change to a home or property including:
- home additions, pools, open decks and porches; new or replacement of solid fuel heating systems, event tents greater than 642 sq ft. etc.
- Permits are also required to demolish a building or structure.

What projects DO NOT require a building permit?
- An accessory building with a total floor area of 10 square meters (108 sq. ft.) or less (must comply with zoning)
- Fences – requirements within the Fence By-law must be met
- Replacement of windows or doors provided the size does not change

Why should I get a permit?
Permits provide you with the assurance that the municipality has reviewed your plans, and that your project complies with the Ontario Building Code, local Zoning By-laws and other applicable laws and regulations.

How do I obtain a building permit?
We recommend that you review our Permit Information Package online before visiting our office for a permit. This will provide you with details on the process and requirements.

Call 705-292-9507 ext. 214 prior to your visit to schedule an appointment.
Selwyn Township is launching a new Clear Bag Program, which will have a positive impact on keeping waste out of the landfill and protecting our environment.

March 1st, 2020: Clear Bag Program Begins
Start using clear bags for garbage.

September 1st, 2021: Clear Bag Program Becomes Mandatory
Garbage in opaque bags will be refused.

FAQs (Frequently Asked Questions)

What if there are items in my garbage I do not want other people to see?
One (1) small “opaque privacy bag” can be placed inside each clear bag for personal items, such as sanitary products, diapers, incontinence products, pet waste, or other personal items. These opaque bags are similar in size to a grocery bag.

What if I use a container for curbside garbage?
You can keep using your container, just make sure that there is no recycling in it. If you use opaque bags in a container, start using a clear bag. You can use an opaque bag (grocery-sized) for privacy items.

What do I do with my left-over opaque garbage bags?
Any leftover opaque bags can be used for future clothing donations or donated to friends/family not in a jurisdiction requiring the use of clear bags. Clear bags will not be strictly enforced until September 1, 2021.

What if I have a special medical circumstance and need a larger privacy bag?
We can accommodate special medical circumstances. Please contact the Selwyn Township Municipal Office at 705-292-9507.

Do other communities use clear garbage bags?
Yes. Locally, the Townships of Douro-Dummer, Asphodel-Norwood, Cavan Monaghan, and Otonabee-South Monaghan; as well as the Municipality of Trent Lakes have all launched their own clear bag garbage programs. There are many other examples Canada-wide.

Selwyn Trails

B.E.L. Rotary Bridgenorth Trail
Brumwell Street, Bridgenorth and 5th Line, Smith
The accessible trail is approximately 2.3 km long and runs from Brumwell Street to 5th Line. The trail is lined with native trees and boasts a peaceful and tranquil setting amidst the Miller Creek Wetland. There are benches located along the trail that provide a comfortable resting spot. The trail heads feature parking and a large trail map identifying local points of interest.

Ennismore Heritage Trail
1053 Ennis Road, Ennismore (Ennismore Waterfront Park)
The naturalized trail is located in the Ennismore Waterfront Park, which is made up of 3 loops that total approximately 1.5 km. Interpretive signage guides you through a variety of natural settings and points of interest. Features include two boardwalks, an osprey viewing platform, and an interior picnic area with pavilion.

Ennismore Fitness Trail
553 Ennis Road, Ennismore (behind the Ennismore Community Centre)
Located at the Robert E. Young Recreation Complex, the outdoor fitness trail features 1,150 metres of trail and five fitness stations, making it suitable for many ages and abilities. Access to the outdoor fitness trail is available at no charge and promotes healthy active living. Located next to the fitness trail, is a play structure and a shade shelter, making the complex a fabulous community hub with something for all ages to enjoy!

Lakefield Trail - www.lakefieldtrail.ca
Located throughout the Village of Lakefield
The scenic trail network encompasses both the natural setting and heritage of the Village. You may enter or leave the trail system from several access points. Covering over 8.5 km, the accessible trail is ideal for walking, jogging or cycling. There are benches and shade shelters located along the trail that provide comfortable resting spots. The Lakefield Trail Committee offers a variety of programs to contribute to the trail, including the Friends Program and Bench Program. If you would like to donate to the trail, please contact the Township office at 705-292-9507.

Andrew Trail
The quaint 450 m trail is beautifully situated in the Smith Ward connecting the communities of the Eastwood Road and Andrew Avenue communities. The screened and levelled trail creates an easy and comfortable terrain for any participant. Formalized in 2018, the trail boasts native wildflowers and shrubs.

Fairbairn Trail
This 1.2 km picturesque trail provides a serene setting among the native trees and charming birds. The trail has entrances off of Lindsay Road and the Fifth Line and includes parking at both trail head locations. 2019 saw the completion of Phase 1 of the multi-phase project. Once all 3 phases are complete, the trail will ultimately connect Bridgenorth to Peterborough. We encourage you to enjoy this NEW portion of trail in our beautiful Township.
