We provide non-medical supports including:
- Meals & Transportation
- In-home services
- Transition home after hospital stays
- Personal distress alarms
- Social and wellness activities

- Registered charity (partial Gov't funding)
- 95% volunteer : staff ratio

Sometimes confused with:
CELHIN - Home and Community Care

Central East LHIN
- Determines eligibility for medical and health care services at home, in schools or in the community
- Administers wait lists and admissions for day programs, assisted living and long-term care
- 100% government funded
- 100% paid staff
