Subject: Road Renaming – Fire Route 5A to Jessica Lane

Status: For Direction

Recommendation

That the report of the Manager of Corporate & Community Services/Clerk regarding renaming a portion of Fire Route 5A be received for information; and

That By-law 2018-067, a By-law to authorize the renaming of a portion of Fire Route 5A along with a portion of newly constructed roadway, together described as Part 2 and Part 3 on Plan 45R-15754, to Jessica Lane in the Smith Ward, be brought forward to the By-law section of the agenda for approval.

Information

The property owners of 1490 and 1494 Fire Route 5A have approached the Township requesting that a section of the private road be renamed as Jessica Lane along with the newly constructed portion of roadway now used to access their properties. The property located at 1500 Fire Route 5A recently completed a consent to sever assuming the right of way immediately adjacent to their property as a lot addition (Part 2 on Plan 45R-15754). This assumed section of the right of way was previously utilized by 1490 and 1494 to access their property. As a result of the lot addition, a new section of roadway was constructed to provide access to these properties (Part 3 on Plan 45R-15754). There is no connection between the remaining portion of Fire Route 5A and Jessica Lane.

Staff have consulted with the County of Peterborough GIS Department and have ensured that Jessica Lane would be an appropriate street name. A By-law is required to formally adopt the name Jessica Lane. The road will remain a private road; the Township will not adopt this section of road into its road network.
