Dear Premier Ford and Minister Hardeman:

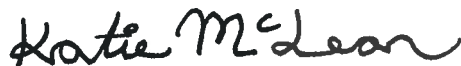

Re: Provincial Agricultural Systems Mapping

At its meeting held the 5th day of September, 2018, Peterborough County Council passed the following resolution:

“Be it resolved that County Council supports the Township of Selwyn's resolution dated August 7, 2018 advocating that the Provincial Conservatives review the rationale and research that drove the decision to implement the new Agricultural Systems mapping that expanded prime agricultural land designations and that the new government be urged to review and modify the severe restrictions resulting from the agricultural systems mapping.”

Thank you for your consideration on this matter.

Yours truly,

Katie McLean
