Summary

| Jan-Jun | 2017 | 2018 | Percentage difference |
|------------------------|-------------|--------------|-----------------------|
| Reported Crimes | 2366 | 2429 | 2.7% increase |
| Clearance Rate | 61% | 62.7% | 1.7% increase |

The first half of 2018 saw a small increase in the crime rate (2.7% or 63 more incidents). Of the 57 crime categories tracked, there were increases in 21 categories and decreases in 26 categories. Notable increases include offences relating to frauds, bail violations, mischief and "other criminal code" offences.

The Village of Lakefield saw a 0% change in the crime rate (21 incidents). Of note, mischief incidents decreased by 88.9% (from 9 in 2017 to 1 in 2018) and cause a disturbance, criminal harassment and theft from motor vehicles went up for a combined total of 9 incidents. The clearance rate for Lakefield was 23.8%.

Cavan-Monaghan Township continued to see a decrease in the crime rate. There were 47 incidents compared to 62 in 2017 for a decrease of 24.2. The only increase of note was assaults which increased from 3 to 7 for a percentage increase of 133.3%

Violent crime continued to see a decline during the second quarter of 2018. Homicides, robberies, sexual assaults and assaults are all down compared to the first 6 months of 2017. On a different front, we had 2 extortion incidents involving Trent University students in May and June to try and obtain money from families residing in China. In both cases, extensive resources were utilized to locate the victims who were found in local hotels unharmed. It was learned that this was happening across the Province and as a result education and media information was provided to our community in attempt to prevent further incidents. We also laid various weapons charges against accused party, Dylan Hamre for his part in a 2016 shooting incident on McDonnell St. This was through the assistance of an interception investigation in the fall of 2017, Project Digit. Of a final note, we continue to see influence from the GTA in local drug trafficking and have started to see more purple heroin (heroin mixed with fentanyl) in our communities. The Drug Unit has been successful in making numerous arrests to control trafficking activity, but it is an ongoing challenge. In June, a loaded .30 calibre handgun was seized during one of these drug arrests. This is the 3rd loaded handgun seized during drug arrests this year.
