AWARDS OF EXCELLENCE FINALISTS ANNOUNCED!

We received over 100 nominations for our Awards of Excellence this year! Due to the high number of nominations and caliber of the nominees, there are more than three finalists in some categories.

With the large number of nominations, some very difficult decisions had to be made by the judging panel. Almost all categories received nominations in the double digits. This speaks volumes for all the wonderful businesses, organizations, and individuals in this region that display excellence!

All nominees, whether they are a finalist or not, should very proud. Due to the high number of nominations and caliber of the nominees, there are more than three finalists in some categories.

Award recipients will be announced at the 20th Annual Awards of Excellence & Social Gala on Thursday, October 10th at Lakefield College School. The evening will begin at 6:30 p.m. with cocktails, light hors d’oeuvres and silent auction, followed by a live auction and award presentations. Tickets are $50 and can be purchased here.

Congratulations to the 2019 finalists!
