WE'RE LOOKING FOR FEEDBACK ON OUR NEWSFLASH

NEWSFLASH SURVEY

We're looking at restructuring our NewsFlash by creating separate business and tourism news emails. We're planning on having a tourism-focused NewsFlash and a business-focused NewsFlash that will go out alternate weeks rather than one combined NewsFlash (like this one). Please let us know which one (or both) you're interested in receiving!

GROWING ONTARIO'S AGRI-FOOD SECTOR: NEW PLACE TO GROW PROGRAM TO BOOST INDUSTRY COMPETITIVENESS AND INNOVATION

NEWS RELEASE BY THE MINISTRY OF AGRICULTURE, FOOD AND RURAL AFFAIRS

Ontario's government is helping to grow the province's agri-food and agri-products sectors by launching the Place to Grow: Agri-food Innovation Initiative - a program which will help drive innovation, reduce red tape, and address industry priorities.

Under the Canadian Agricultural Partnership, this initiative will provide new cost-share funding opportunities to agriculture and food value-chain partners, while encouraging greater collaboration to identify opportunities and address challenges in the sector.

The new Place to Grow program will allow organizations to apply for projects in key priority areas, including:

- Labour supply and training challenges, which is a new category added for this program
- [Economic development](#) in the agri-food and agri-products sectors
- [Environmental stewardship](#) to enhance water quality and soil health
- [Protection and assurance](#) to reinforce the foundation for public trust in the sector through improved

assurance systems in food safety and plant and animal health
