

# March 2024

Paper coffee cups are recyclable but the lids are not! Remove lids and straws and place in the garbage.

## Spring is Here!

Tips to reduce waste while spring cleaning:

- Donate used items to a thrift store
- Discard of used textiles and clothing in the Diabetes donation bin at the Smith Landfill
- Books are no longer accepted in recycling. Swap them with a friend or donate them!

## Return your empties!

Don't put wine and beer bottles in recycling. Return bottles to participating retailers for a refund!
