

On windy days, don't overfill your blue boxes. Stack the bins to prevent materials from blowing away.

What Goes Where – Use the *What Goes Where* online tool to easily find whether your waste is garbage or recycling! While you're there, you can also find your waste collection schedule.

Check it out at www.ptbocounty.ca

Medical Waste is not recyclable!

Bandages, face masks, & gloves are considered garbage. Please dispose of all needles and sharps properly at your local pharmacy.
