

FoodCycler Pilot Program In-Home Food Waste Diversion

Join your Township in tackling food waste by piloting innovative FoodCycler™ technology in your home.

90% reduction in food waste

95% reduction in greenhouse gas emissions from food waste

Project Timeline: February 27 to April 24, 2023

Start February 27

Select and purchase your FoodCycler.

- FC-30 \$150 + tax (\$169.50)
- Maestro \$300 + tax (\$339)

Pickup details will be provided upon registering.

8 Weeks

Divert your food waste using the FoodCycler™ for a period of 8 weeks.

Track the amount of waste you divert with a tracking sheet.

End April 24

Fill out a closing survey about your experience using the FoodCycler™.

Once complete, keep using the FoodCycler™ to reduce your food waste!

Why Should I Participate?

Did you know that up to 50% of household waste is composed of food waste? By helping your municipality address food waste, you are supporting your community's environmental initiatives, while reducing your carbon footprint.

What is Required of Me?

Not much! Purchase a FoodCycler™ from your municipality at a subsidized cost, track your use once a week for a period of 8 weeks and then answer a brief exit survey.

How do I register?

Only 250 FoodCyclers available!

First come, first served.

Why FoodCycler™?

Energy Efficient
 Only \$3-\$4 in energy costs every month!

Odourless
 Carbon filter accessories filter all odours!

Easy to Use
 Just press Start!
