Types of charging stations and rates

STANDARD

Charges in 3-4
hours

FAST

Charges in
20-30 minutes

You can check the rate* of any public station on the FLO mobile app or online at flo.ca/on-the-go

* Charging is billed per hour or per session. Rates vary from one location to another. Access to some charging stations is free of charge.

How to use the FLO network?

You must first become a FLO member – it's simple and free.

1. Create a FLO account online at flo.ca/signup
2. Download the free FLO mobile app, and/or order a FLO card (\$15), which will be delivered to you by post.
Both the app and the card will allow you to activate charging stations and pay for your sessions.
3. Add funds to your account using a credit card.

In a hurry? You can create your account and add funds directly from your mobile app.
