Property Tax Reminder Letters

Starting in September 2023 and through 2024, Property Tax Reminder Notices for outstanding balances will only be sent after an installment due date and at the end of the year. Staff will be investing the existing resources into property specific discussions, rather than monthly mailings. This collection process will be reviewed later in 2024 with respect to cost savings and effectiveness.

Penalty and/or interest is fixed at a rate of 1.25% per month and will continue to be added to unpaid taxes after the due date and the beginning of each month after. Reminder notices will be sent for accounts with an outstanding balance over \$10.00 at the beginning of **March, May, August, October, and December.**

Flood Preparedness

Are you prepared for flooding? Some considerations: sandbags to protect ground level windows and doors, backup power for sump pumps, clearing snow and ice from around your foundation.
