# **Development Charges Pamphlet**

Effective September 11, 2018 – September 11, 2023

This pamphlet summarizes the Township of Selwyn's policy with respect to development charges. By-law No. 2018-044 imposes Township-wide development charges for municipal services and area-specific charges for infrastructure services to develop the Lakefield South new development area.

The information contained herein is intended only as a guide. Applicants should review By-law No. 2018-044 and consult with the Chief Building Official to determine the charges that may apply to specific development proposals.

Development Charge By-law No. 2018-044 is available for inspection in the Building & Planning Department during regular working hours, Monday to Friday, between 8:30 a.m. and 4:30 p.m. or via the Township Website at [www.selwyntownship.ca](http://www.selwyntownship.ca).

## **Purpose of Development Charges**

The general purpose for which development charges are imposed by the Township is to assist in providing the infrastructure required by future development in the municipality by establishing a viable capital funding source to meet the Township's financial requirement.

The Council of the Township of Selwyn passed By-law No. 2018-044 on June 26, 2018 under subsection 2(1) of the Development Charges Act, 1997 with an effective date of September 11, 2018. Area-specific development charges are payable in addition to the township-wide charge.

## **Purpose of the Township Treasurer's Statement**

The purpose of the annual Statement of the Treasurer is to document the continuity of each development charge reserve fund, including services covered, development charge collections, interest earnings, funding transfers, and borrowing and landowner credit transactions.

The Treasurer's annual statement may be reviewed by the public in the office of the Finance Department during regular office hours, Monday to Friday, between 8:30 a.m. and 4:30 p.m.
