Location

The key map below indicates the location of the lands which are subject to this application. The subject property is legally described as Part of Lot 27, Concession 12 (Smith) and is municipally known as 2018 Twelfth Line.

The Zoning By-law Amendment

The Zoning By-law Amendment is a Township condition of a consent to sever a residence surplus to a farming operation application that has been granted provisional approval by the County of Peterborough. The severed lot is ±1.23 ha (±3.03 ac.). The zoning by-law amendment will re-zone the subject lands as follows:

- The severed parcel will be zoned **“Rural Residential (RR) Zone”**. A Rural Residential (RR) Exception Zone may be used should there be any deficiencies with regard to the applicable zoning regulations for the existing buildings on the severed parcel.

- The retained parcel will be zoned “**Agricultural Exception Five Hundred and Eighty-Five (A-585) Zone**” to prohibit future residential dwellings.

If a person or public body would otherwise have an ability to appeal the decision of the Council of the Township of Selwyn to the Ontario Land Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to the Township of Selwyn before the by-law is passed, the person or public body is not entitled to appeal the decision.

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Township of Selwyn before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
