## Selwyn Welcomes a New Council

Following the October 24th, 2022, Municipal Elections, the newly elected Mayor, and Council members for Selwyn Township were sworn in at the inaugural meeting held on November 22, 2022. The meeting was attended by many community members, family, and friends of Council members, as well as several Township staff. Council members will serve for a four-year term of office (2022-2026).

Here's how you can connect with us!

### **Want to join us?**

Council meetings generally occur on the 2nd and 4th Tuesdays of the month, beginning at 1:00 pm.

### **Can't come to us?**

Watch livestreamed meetings online from the comfort of your home on our YouTube channel ([youtube.com/SelwynTownship](https://youtube.com/SelwynTownship))!

### **Missed a meeting?**

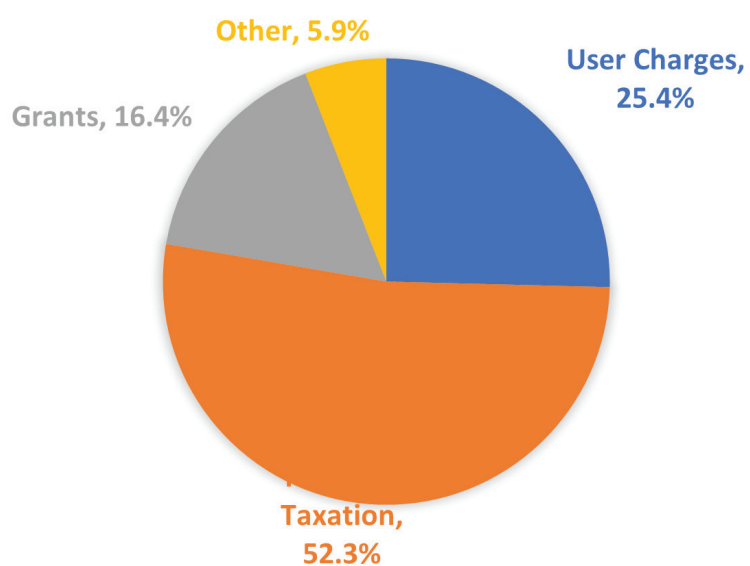

Visit the Township website to watch past Council meetings.

### **Need more?**

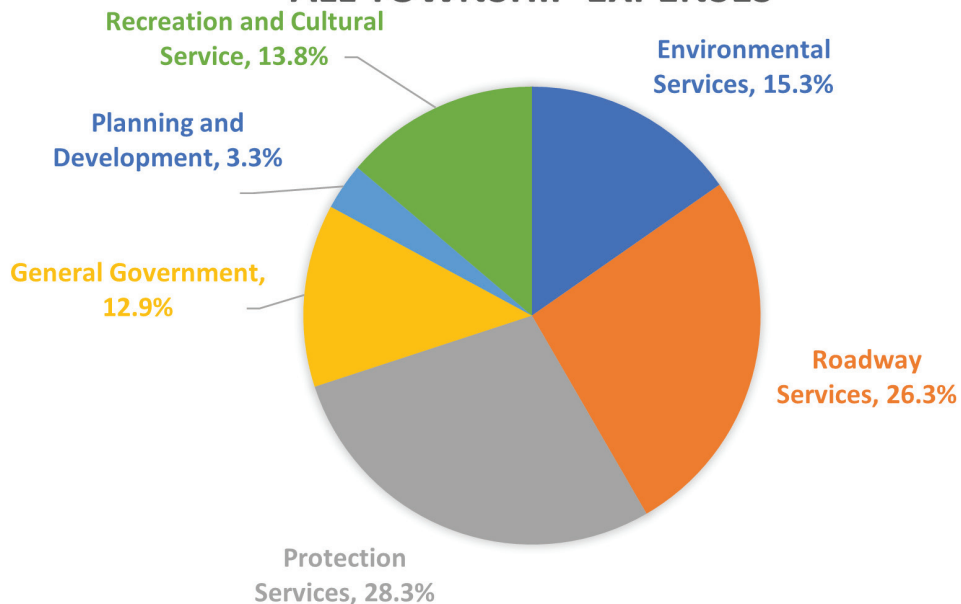

Follow us on Facebook, Twitter, or Instagram (@SelwynTownship), or sign up for our Township, Library and Business eNewsletters.

## 2022 Financial Activities (Consolidated)

### ALL TOWNSHIP REVENUES

### ALL TOWNSHIP EXPENSES

# Sherry Senis, Selwyn Mayor

**Additional Role:** Deputy Warden of Peterborough County  
**Home:** 705-652-3521  
**Cell:** 705-930-6202  
**Email:** [ssenis@selwyntownship.ca](mailto:ssenis@selwyntownship.ca)  
**f** Sherry Senis **i** @sherrysenis **t** @SelwynMayor

I am humbled and honoured to represent Selwyn as Mayor and to have been appointed as Deputy Warden for the County of Peterborough. Thank you for your ongoing support.

We started a new term of Council in December, with a new Council who have been in the process of extensive training to learn the various aspects of governing the Township.

We attended the Rural Ontario Municipal Association conference in January, where we met with Hydro One representatives to request the upgrading of equipment to increase reliability in our area.

We also met with the Ministry of Health to recommend increasing the number of family physicians in our area. I am on the Peterborough Region Physician Recruitment Committee and can report that a doctor, who is originally from Bridgenorth, is slated to assume the roster of Dr. Motyer at the Chemong Family Health Centre in the fall, subject to Provincial approval.

The James A. Gifford Causeway is being upgraded and work was to be completed this year, however the tender came in 44% over budget. As a result, the work has been split into two phases, with roadwork being completed this year and bridge work in 2024. Expect delays.

As a member of the Selwyn Public Library Board, I wish to

thank the over 160 volunteers who help keep our three branches running smoothly. If you are looking for a way to be engaged in the community, volunteering at the library is an excellent opportunity. Also, don't forget to check out the Makerspace beside our Lakefield branch.

The Province is making sweeping changes with regard to recycling. First producers will be responsible, and they are changing the rules. This falls under the County's purview, and I am Chair of the Waste Management Committee at the County. Ultimately, the same rules will apply as to what can be recycled across the Province. The County is also looking at organics pick up when the City of Peterborough has their facility built.

Council endorsed the Township's Pollinator Paradise initiative. We are already a Bee City, but creating additional gardens for other pollinators, such as butterflies and birds is essential, and we encourage you to do so. The Township is partnering with local horticultural societies, Otonabee Conservation, local service clubs, and schools to plant more pollinator gardens. These groups, as well as residents, are invited to register their pollinator garden on our Pollinator Paradise Map on the Township website.

Contact me with any issues or concerns. Enjoy all that Selwyn has to offer.

# Ron Black, Selwyn Deputy Mayor

**Additional Role:** Peterborough County Councillor  
**Cell:** 705-740-3729  
**Email:** [rblack@selwyntownship.ca](mailto:rblack@selwyntownship.ca)  
**t** @ronblackselwyn

Firstly, I want to express my sincere gratitude to the residents of Selwyn for your confidence in my acclamation as your Deputy Mayor! The transition from retirement to council duties after a 23-year council hiatus has already energized me to hit the road running. The first five months have been very busy getting up to speed on Township and County issues. Clearly, the tasks ahead will be challenging for all municipalities.

Over the past three years, COVID-19 has had a disproportionate impact on Selwyn Township and Peterborough County's population. The pandemic has resulted in many seasonal residents moving permanently to their cottages either for retirement purposes or to work remotely. Unfortunately, these existing homes in our Township provide minimal new tax assessment revenue that is needed to support this growing population. Prudent fiscal management will be necessary while considering expanding the services that will be required to support the growth that we are experiencing. More full-time residents mean additional wear on roads, bridges, transportation, municipal services, social and essential services, as well as the need for additional family physicians. There are currently 13,000 City/County residents without doctors!

Housing, and in particular affordability, will be vital to retain our young families in the community they love and grew up in. The Eastern Ontario Wardens Caucus has set an aggressive goal of building 7,000 affordable housing units in 7 years. Changes to the local planning approval processes are needed to speed up construction while addressing the social, economic, and environmental impact of this growth on our rural community. The County of Peterborough, with feedback from Council, residents, and businesses, is currently updating the County strategic plan which will help set those priorities for the next five years.

As part of my Township and County Council duties, I am appointed to the Boards of the Otonabee Conservation, Peterborough Public Health, Age Friendly Peterborough, and the County's Land Division Committee. Additionally, I continue to volunteer my time on mental health, addiction and homelessness organizations as the Vice Chair of Four Counties Addiction and Treatment Services and lead Abbeyfield Lakefield in developing our 19-unit, not-for-profit senior housing project. I also continue to support our local businesses as Chair of the Loans Committee for Community Futures Peterborough.

Please feel free to contact me with your questions or concerns!

## Connect With Us!

@SelwynTownship

## Ennismore Hockey

The Ennismore Robert E. Young Construction Juveniles won the U21 A Division at the 50th Anniversary Mooretown Silver Stick Hockey Tournament over the January 7-8, 2023 weekend. The team went undefeated with five wins.

## Be Prepared!

Your emergency survival kit should have everything you and your family would need to be safe and take care of yourselves for at least 72 hours immediately following an emergency.

[selwyntownship.ca/  
EmergencyPreparedness](http://selwyntownship.ca/EmergencyPreparedness)

# Mary Coulas, Ennismore Ward Councillor

Cell: 705-740-4179  
Email: [mcoulas@selwyntownship.ca](mailto:mcoulas@selwyntownship.ca)  
Facebook: [Mary Coulas](#) Instagram: [@mary.coulas](#)  
YouTube: [@marycoulas3802](#) LinkedIn: [@Mary Coulas](#)

I would like to thank Ennismore voters for their support and the confidence they have placed in me. The results of the fall election were overwhelming, and I truly enjoyed canvassing—meeting new people, hearing different perspectives, and hearing about the issues facing residents, and exploring roads I’ve never travelled.

Moving into the role of councillor, training sessions have provided valued insights in the face of Provincial changes (e.g., planning and development, improving customer service standards, emergency management, Indigenous history, and relations, and more). I want to thank Township staff and the rest of Council for helping me navigate my new responsibilities.

From community organized roundtable discussions, I have found new passions and inroads for community engagement and information sharing. I began with raising money for BEL Rotary and Kawartha Wildlife Centre by taking the plunge at PolarFest 2023. For Earth Day, I worked with the Ennismore Horticultural Society to coordinate a community clean up at the Ennismore Waterfront Park and the Secret Garden. I’ve also been active on the Shamrock Festival Committee and the Joint Accessibility Advisory Committee.

The Shamrock Festival Committee is gearing up for another fun year (July 21-23, 2023). I’d like to thank all the sponsors and vendors who have already signed up. As a new member

of the Committee, my goals this year are two-part:

1. increase participation of local community organizations to increase public awareness and provide space for local organizations and residents to connect; and
2. help improve the weekend’s sustainability practices.

This year, we are kicking-off the festival with a dance hosted by the Quarry Golf Club (Friday, July 21st at 8pm). Mark your calendars!

As part of the Joint Accessibility Advisory Committee, a body established through the Accessibility for Ontarians with Disabilities Act (2005), I help provide information and recommendations to Township and County Councils regarding accessibility issues. The Act empowers government to regulate specific accessibility standards intended to identify, remove, and prevent barriers. These barriers can be physical, architectural, information, communications, attitudinal, technological, or be embedded in policies and practices. As the Province continues to make decisions reshaping planning, development, and other contours of our community accessibility has not been left untouched. As a Committee, we look beyond the physical environment towards more cost-effective approaches and practices that would improve accessibility for a greater number of people. I look forward to coming engagement and learning opportunities.

# John Boyko, Lakefield Ward Councillor

Cell: 705-313-6890  
Email: [jboyko@selwyntownship.ca](mailto:jboyko@selwyntownship.ca)  
Twitter: [@Johnwboyko](#)

I am happy and humbled to represent the people of Selwyn on Township Council, the Otonabee Conservation Board, the Lakefield Jazz, Art & Craft Festival Committee, and as Lakefield liaison on the Peterborough Police Services Board. In preparing to serve, and in my first five months, I have enjoyed reading current and old reports, numerous training sessions, actively listening, and, hopefully, positively contributing to the conversation I’ve joined in midstream.

Selwyn is fortunate to have a talented staff who work diligently implementing Council’s directions and serving our community. I thank them for their professionalism.

Thank you to all who have written to Council, presented delegations, and contacted me directly because we hold no monopoly on good ideas.

Of all the lessons learned, whether years ago as Lakefield Deputy Reeve or as Councillor, the most important is the power of community. We live on farms, in urban enclaves, waterfront homes, and in a fully serviced urban Village. Our community lies at the intersection of different ways of life and varied perspectives and priorities. We are united, though, in our having chosen to move here or remain here. We all chose not to live in a city or suburb, but here.

It is that determination that marks the unity within our diversity and informs our civic character. That character and pride in community is reflected and defined in many ways but none more clearly than in our volunteers.

Consider the volunteers who create the Ennismore Shamrock Festival, Lakefield Jazz, Art & Craft Festival, PolarFest, and the Lakefield Literary Festival. Committee members work for months preparing and then more volunteers run them so we can all enjoy the fun and fellowship on offer. Consider those on the executives of minor sports leagues and those who coach the teams so that our children and grandchildren can enjoy the mental and physical health benefits of exercise, team play, and fun that does not involve a screen. Consider those who volunteer with community advocacy groups and boards, service clubs, churches, libraries, the horticultural, agricultural, and historical societies, the beautification, and trail committees, those who help with youth and seniors, and far more that space does not allow me to mention.

Thank you to all those who volunteer. And to others, please contemplate the rewards of service and new friends waiting to be met, then offer to volunteer.

Please continue to contact me and Council as, together, we strive to strengthen our already strong community.

# Brian Henry, Smith Ward Councillor

Cell: 705-740-4241  
Email: [bhenry@selwyntownship.ca](mailto:bhenry@selwyntownship.ca)

When I began my term as a municipal Councillor, there was a lot to learn. My days since have been filled with an incredible amount of reading, training, and listening to our residents, as well as the advice of our municipal staff. I have been appointed to the Smith-Ennismore Police Services Board, Municipal Heritage Committee, and act as a liaison to the Buckhorn Community Centre. These involvements have required my attendance at many meetings and has provided me with even more reading material. More importantly, I have been equipped with a greater understanding of our community. This cycle of educating oneself will be a never-ending priority for me.

Newly elected Councillors, and their supporters, typically want to see change and to improve things to benefit citizens and their community, but we must understand that Council accomplishes our responsibilities by regulation and resolution. As well, the different roles and obligations of everyone involved in the process (ie. Mayor and Council, the CAO, Clerk, Treasurer, and other key staff) are defined by law, and each role must be respected.

The day after being elected, the Ontario Government introduced Bill 23, the More Homes Built Faster Act, to support Ontario’s Housing Supply Action Plan, with an aim of increasing the housing supply across the province. This legislation, handed down to our Township from the province, has changed how municipalities operate and even nullified many campaign platforms for recently elected officials.

The primary role of Selwyn Township Council is to make decisions with direction and priorities, and not the daily continuous actions of the Township itself, which is the responsibility of its staff. As a Councillor, I have no power or authority to instruct our municipal staff. The real power of a Councillor comes in public Council meetings when we vote on resolution or regulation and pass By-laws. It is only at that moment that decisions really come to life for Selwyn Township. This can only be further enhanced by the public’s involvement by attending Council meetings and engaging in local issues.

# Congratulations!

On May 27, 2022, the Peterborough County Recognition Awards Ceremony was held at the Cavan Monaghan Community Centre in Millbrook. Due to the pandemic, this Awards Ceremony honoured award recipients from both 2020 and 2022. The following Selwyn Township residents received awards:

- **Accessibility Recognition:** Ennismore Curling Club (2020)
- **Acts of Heroism:** Joel Harvey and Caleb McInnis (2020); Ed and Karen Dillon and John Jentz (2022)
- **Agricultural Leadership:** Sean Wilson of Selwyn Garlic Farms (2020); and Kildare Equestrian Centre (2022)
- **Business Leadership:** Mike Crough of Treescape Certified Arborists (2020); and Chemong Home Hardware and Building Centre (2022)
- **Community Volunteer of the Year:** Sharon Stafford and Susan Plant (2020); and Sandra Peacock (2022)
- **Leadership in Arts and Culture:** Mary Derrick (2020); and Bob Trennum (2022)
- **Special Award:** Norm Kyle (2020)
- **Sporting Excellence:** Justina Moore (2020); and Callan “Coach Cal” Perks (2022)

Peterborough County Recognition Awards recipients from Selwyn Township and members of Selwyn Township 2018-2022 Council.

At the 2023 Rural Ontario Municipal Association (ROMA) Conference, Selwyn Township Council members met with the Ministry of Health Parliamentary Assistant Dawn Gallagher Murphy to request that the ministry expedite and simplify the processes required to recruit foreign-trained healthcare professionals. The Township stressed the importance of this to manage the significant strains on the existing healthcare system.

Selwyn Township Council members met with Hydro One and requested that they provide information on how their planned investments in the energy grid are expected to ensure that the grid is stable and reliable as electricity demands increase from development and electric vehicles.

## Major Renovations at Former Post Office

New, Accessible Main Entrance

The Township of Selwyn has received a federal grant of \$750,000 through the Canada Community Revitalization Fund to retrofit the former Lakefield post office to create an accessible and comfortable upper-level community space. The renovation will include the installation of an elevator/lift, construction of an accessible washroom and kitchenette, office/workstations, and board/meeting room, making this space the perfect location for a business incubation centre and community space that can be used by everyone.

## Mayor Senis Sworn in as New Peterborough County Deputy Warden

The Township is proud to have our Mayor Sherry Senis serving as the Deputy Warden of Peterborough County. Sherry will work closely with Warden Bonnie Clark, Deputy Mayor of the Township of Otonabee-South Monaghan to serve the residents of Peterborough County. Well done, Sherry!

## EV News! Charged for Change Program

The Township was one of the communities selected to receive funding to install electric vehicle (EV) chargers through the Charged for Change Program, a partnership between Aviva Canada and Earth Day Canada.

Seven Level 2 electric vehicle chargers will be installed at five

locations in the Township in 2023. The chargers will be located at the Township Office, Ennismore Community Centre, Bridgenorth Library, The River Den, and a location yet to be determined in Young's Point. The new chargers will help support a transition to electric vehicles in our community.

### Adding to the Township's Green Fleet!

In the summer of 2022, the Township purchased its first plug-in hybrid electric vehicle (PHEV) for the Building & Planning Department. This PHEV was originally leased using federal funding through FCM's Green Municipal Fund.

A second PHEV will be purchased in 2023 for use by the Building & Planning Department, helping to further reduce the Township's reliance on fossil-fuels and lower operating and maintenance costs associated with the municipal fleet.

The Township has been actively working to support pollinators through habitat creation and protection. A pollinator paradise page was recently launched on the Township's website. The page includes information on why pollinators are important, the actions that the Township has taken to date, and includes tips and resources for residents to support pollinators at

home and in the community. There is also a Pollinator Paradise Map that includes the locations and details of pollinator projects that have been complete in the Township. Residents and community groups can register a garden to be featured on the map. To visit the Pollinator Paradise page, visit [www.selwyntownship.ca/PollinatorParadise](http://www.selwyntownship.ca/PollinatorParadise)

# Selwyn Fire Department Update

In 2022, the Selwyn Fire Department recruited 15 new volunteer firefighters, and a full-time Deputy Fire Chief position was created. The Department welcomed Howard Jinkerson as the new Deputy Fire Chief, bringing with him 18 years in the fire service and a background in fire prevention.

The Department also welcomed Tim Janssen to the position of Training Officer and are excited for the wealth of knowledge and hands on experience he possesses. Tim will be replacing Mike Goble who stepped aside to begin a new career with the Ontario Fire Marshall's Office as an instructor. Mike served as the Training Officer for 10 years!

2022 also saw a record 1,378 incidents responded to by the Department. As call volumes continue to rise and the population of Selwyn Township increases, the need for more firefighters and the demand for resources also increases.

We wish to thank our 95 volunteer firefighters who continue to dedicate their time to serve our community.

If you are interested in serving as a volunteer firefighter, please contact the Selwyn Fire Department Administration Office at 705-292-7282.

- Long Service Awards**
- 5 years - Jake Andrews, Drew Goble, Stephen Heintz, Josh Neadow, Ilana Overink, John Sanquinetti, Jordan Whelan, Steve Woods, Mark Young
  - 10 years – Laura Merrill, Kevin Powell
  - 20 years – Reg Butwell, Chris Pearson, Jeff Rutherford
  - 50 years – Jerry Jopling
- Firefighters' Association Awards**
- Mitchell Pogue Award – Keely McCue-Whetung
  - Exemplary Leadership – Ted Jackman
  - Excellence in Training – Todd Wilson
  - Dedication to Prevention and Education – Denis Rioux
  - Outstanding Service – Dave Groves

Mike Goble receives recognition award from Chief Gord Jopling

## Rehabilitating Lakefield's Drinking Water System

Selwyn Township received over \$3 million combined from both the Federal and Provincial Governments through the Investing in Canada Infrastructure Program's Green Infrastructure Stream fund to support upgrades at the Lakefield Water Treatment Plant. The project will include the recommissioning of the Lakefield Standpipe and the replacement of water mains under Strickland Street and Prospect Street in the Village of Lakefield to meet current health and safety standards, as well as preventative maintenance.

## Ennismore Secret Garden – Grand Opening

On September 30, 2022, members of the Ennismore Garden Club gathered with Selwyn Township staff and Council to celebrate the completion and grand opening of the Ennismore Secret Garden. The Club and Township staff, along with community volunteers, worked to create a garden in and around the stone wall structure of a 150-year-old barn to provide a charming retreat for visitors to the area and residents. This hidden gem can be found adjacent to the Ennismore Waterfront Park.

## Water Street Reconstruction Project

Phase 2 of the Water Street reconstruction project in Lakefield has begun and will continue through to Fall 2023. Phase 2 includes construction on Reid Street and along Water Street from Reid to Bridge Street. The work will include new storm sewer, sanitary sewer, and watermain infrastructure, new sidewalks, curbs, and finally the construction of a new roadway.

**Reminders:**

- At times, sections of the Lakefield Trail will also be closed during the construction phase.
- No parking will be permitted when active construction is taking place.
- Parking is available at the Lakefield-Smith Community Centre, except for Thursday mornings during the Lakefield Farmers' Market season.

The 3rd and final phase of the project will continue in the Spring of 2024 and involves a final lift of asphalt. We thank you for your patience during this project. For more information, visit [selwyntownship.ca/waterstreet](http://selwyntownship.ca/waterstreet).

Completed Phase 1 section of the Water Street Reconstruction

Phase 2 section of the Water Street Reconstruction

# FoodCycler Pilot Program

In February 2023, Selwyn Township launched the FoodCycler™ Pilot Program and hosted a distribution event for registered residents to pick-up their FoodCycler™. Staff from Food Cycle Science and Selwyn Township were also on-hand to answer any questions about the program and how the FoodCycler™ works.

The FoodCycler™ is an indoor compost alternative, which dries and grinds food waste into a dry, odorless, nutrient-rich fertilizer that can be added to your gardens. Simply toss your food scraps into the bucket, press the button, and you're done!

250 FoodCyclers have made their way to Selwyn Township homes!

The pilot program is a partnership between the Township and a Canadian company, Food Cycle Science, to measure the feasibility of using a FoodCycler™ to support at home composting in Selwyn Township. This program will improve organic waste diversion, which helps protect the environment and extend the life of local landfills.

Photo credit: Lakefield Herald

# New Council Hosts First Town Hall

Photo credit: Lakefield Herald

On June 3, 2023, Selwyn Township Council hosted a Town Hall in Smith Ward at the Bridgenorth Community Hall. Town Halls offer residents an informal setting to discuss municipal matters with their local Council. Watch out for next year's date and location!

# \$482,800 in OTF Funding Towards Community Initiatives

On Tuesday, June 13, 2023, Selwyn Township celebrated the completion of two Ontario Trillium (OTF) funded projects during their recognition event held at the Robert E. Young Recreation Complex in Ennismore. Local MPP Dave Smith and an Ontario Trillium Foundation volunteer, had an opportunity to hear about these projects' long-term impact from Township officials during the event.

## Fundraising & Revenue Generation Strategy & Tool Kit

Selwyn Township received \$75,000 through OTF's Resilient Communities Fund to develop a Fundraising & Revenue Generation Strategy, as well as Fundraising Tool Kit.

The Fundraising & Revenue Generation Strategy was developed to help the Township increase their ability to access new revenue sources, and create more effective sponsorship programs, whether through typical sources, such as facility rentals, and hosting events and programs, or through alternative sources.

The Fundraising Tool Kit provides resources to help local community groups with their fundraising efforts

including planning, event promotions, donation tools, grant funding, social media, and more. The Tool Kit also includes a template package that can be personalized to suit their needs. To check out the Strategy and Tool Kit, visit [selwyntownship.ca/Fundraising](http://selwyntownship.ca/Fundraising)

## Replacement of Sports Courts in Ennismore and Lakefield

Selwyn Township also received \$407,800 through OTF's Community Building Fund – Capital Stream grant to replace the aging sports courts in both Ennismore and Lakefield, while adding a highly-desired basketball court in Lakefield.

Providing accessible, outdoor sports and recreation facilities has become increasingly important over the last few years. This is especially true of multi-sport facilities as they can contribute to the health and well-being of a wide variety of community members. By removing and replacing our aging sports courts in both Lakefield and Ennismore, tennis, pickleball, and basketball will continue to be an integral part of the no-charge, accessible recreational options available in Selwyn Township.

# Impossible Without Volunteers!

Our volunteer force is one of the strongest resources within the Selwyn Public Library system. In 2022, volunteers contributed 10,354 hours working at our Library branches and the Makerspace, and an additional 1,883 hours working at our two New-to-You stores.

In our Library branches, volunteers provide a wide range of support and services for the

library, including circulation, program assistance, cataloguing new books, and customer service.

In our newly opened Makerspace, volunteers provide specialized assistance with various forms of technology and are skilled in the operation of our 3D printer, laser cutter, vinyl cutter, embroidery machine, serger, and sewing machine.

At our New-to-You stores, volunteers raised a

combined \$22,566.50 in 2022, which is divided evenly between the Selwyn Public Library and Community Care Chemung.

We could not possibly offer the range and diversity of programs, and outreach initiatives without the support of our volunteers. We are deeply grateful to our volunteers for their dedication and commitment to the Selwyn Public Library. Thank you!

# Township Festivals

## Ennismore Shamrock Festival

July 21st-23rd, 2023

The Ennismore Shamrock Festival commences with a dance on Friday night (age of majority event). Join us Saturday for a full day of fun for the whole family - bouncy castles, BBQ, petting zoo & more! On Sunday, don't miss the long-awaited return of the Truck & Tractor Pull!

## Lakefield Jazz, Art & Craft Festival

July 8th, 2023

The Lakefield Jazz, Art & Craft Festival invites you, your friends and family to come enjoy a breezy day of outdoor summer entertainment beside the scenic Otonabee River in Isabel Morris Park in Lakefield. Relax and enjoy a wide variety of live music, wander through the colourful works for sale by artisans and crafters, plus feast on local food and beverages!

## PolarFest

February 2nd-4th, 2024

PolarFest is an annual winter festival. It is a family fun weekend that includes horse drawn sleigh rides, fireworks, professional ice carvings, Polar Paddle Canoe Race, night-time guided hike and campfire, chainsaw ice carvings, pancake breakfast, BEL Rotary Polar Plunge and so much more!
