This permit is issued subject to the following conditions:

1. The Applicant/Person responsible acknowledges having read and understood Bylaw 2010-54.
2. The Applicant/Person responsible must obtain verbal permission from one of the following Fire Representatives: Fire Chief, Fire Prevention Officer or designate on the date of the fire.
3. The Applicant/Person responsible shall post this Fire Permit at the location of the Telephone nearest the fire for easy access in case of emergency.
4. Permits may be renewed by obtaining verbal confirmation from the Fire Chief, the Fire Prevention Officer or designate at (705) 292-7282.
5. A permit will be revoked if an officer has determined that the By-law has been contravened.

Please contact the Fire Department if you have questions regarding open air burning.

You must call in at all times before burning. If you would like to burn on a weekend, you must call the office either on Thursday or Friday morning for permission. Fire Bans are announced on the local radio stations and it is posted on the Townships website at [www.selwyntownship.ca](http://www.selwyntownship.ca). Please be courteous of your neighbours at all times when burning. Smoke must be going away from neighbouring properties. 'Accelerants are not allowed to start fires'
