

Instead of buying chemical-based cleaners, try using natural products like vinegar, baking soda, and lemon juice for cleaning. You can store them in reusable containers to cut down on packaging.

Spring Leaf & Yard Waste Collection

Leaf and yard waste is collected at the curb in the Spring and Fall. For residents outside of the collection area, leaf and yard waste can be dropped off at the Smith Landfill during the curbside collection time frame.

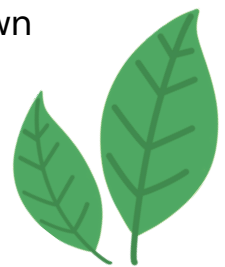

You can also reuse your yard waste! Leaves and tree trimmings can be used as mulch in gardens and for landscaping, or be added to a backyard composter.
