Your local Community Centre is  
Looking Your Sponsorship

- Lakefield-Smith Community Centre •
- Ennismore Community Centre •

People within the community come together every weekend to participate in our Public Skating Program at the Ennismore Community Centre and the Lakefield-Smith Community Centre at a cost of \$2 per person.

Sponsorship gives local businesses and service clubs the opportunity to offer the community an afternoon of free skating.

Sponsors have their name featured on the advertising board at our Arena, a post on the Township Facebook page and a tweet through our Township twitter account. We will also have your business on the Township website as well a thank you to all the sponsors which will stay on the website for up to a year. This will create an incredible amount of exposure for your organization.

## Cost and Benefits

Your business can pick the Sunday in Ennismore or the Saturday in Lakefield that you would like to sponsor, or, the Township can book it for you. The cost is \$200.00 plus HST per skate session. Remember you are helping promote youth recreation in your community and your business will receive:

- A publication on the Township website
- A publication in the Lakefield Herald (varied)
- A poster at the arena
- A post on the Township Facebook page and the Selwyn Twitter Account
- Thank you on the website to your business that will stay up for a year

By Sponsoring Public Skating your business is getting a generous amount of advertising/exposure. You are helping the community come together and enjoy our local Community Centre. This will also increase physical activity in adults and children and help promote youth recreation.
