

September 2025

Recycle your E-Cigarettes and Vapes at the Smith Landfill!
Drop off your used Electronic Cigarettes and Vapes to the bin at the Smith Landfill so they can be processed into raw materials that can be reused instead of sent to landfills.

Help Conserve Water – Use Rain Barrels!

Rain barrels collect and store rainwater from your roof, which can then be used for gardens, plants, and outdoor cleaning – without drawing from the municipal water system.

By using a rain barrel, you can:

- Reduce your household water use
- Keep your garden healthy during dry conditions
- Help ease pressure on local water infrastructure
